

Vaccine for: Ethan K.

Success

This confirms your vaccine appointment(s)

Schedule another person?

If you are a parent or guardian, you can schedule for someone else.

[Start scheduling](#)

First appointment details:

When:

Sunday, July 10, 2022 at 10:00 PM PDT

[Add to my calendar](#)

What:

COVID-19 (Pfizer)

Where:

5385 ALTON PARKWAY IRVINE, CA 92604

[Get directions](#)

Note

Remember, during your first visit, you can talk with your pharmacist to determine if rescheduling your second dose for up to 8 weeks after your first dose is the best option for you.

Second appointment details:

When:

Sunday, July 31, 2022 at 08:00 AM PDT

[Add to my calendar](#)

What:

COVID-19 (Pfizer)

Where:

5385 ALTON PARKWAY IRVINE, CA 92604

[Get directions](#)

Next steps:

- Please check in at the pharmacy area inside the store when you arrive.
- Bring your ID and insurance card, voucher or other coverage (if you have Medicare, you'll need your red, white and blue Medicare card).
- You'll also need your CDC vaccination card if you're coming in for a COVID-19 second-dose, booster or extra-dose appointment.
- If you're getting a COVID-19 vaccine, be prepared to stay for 15 to 30 minutes after you receive your dose so you can be observed for side effects.
- Remember your face covering—wearing it throughout your visit is strongly encouraged.

What to do if you're feeling sick or experiencing COVID-19 symptoms:

- Don't go to the pharmacy.
- Contact your primary care provider for next steps.

CVS tips for vaccine shots:

Did you know wearing short sleeves makes getting a shot easier and faster? If you must wear long sleeves, dress in layers with the short sleeves underneath.

Review your patient fact sheet or vaccine information statement for up-to-date, vaccine-specific information about side effects, risks and more.

Tip for your second dose:

After your first dose we'll need you to fill out some online forms for your second visit. We'll follow up with a message link when the time is right.

You may receive email and SMS messages.

If you don't see our confirmation email, check your spam folder. Make sure you receive our reminder emails by marking us as important in your inbox.
